HARVEST HOUSES . . .

Twenty-five years ago, 1985, S. Jeanne A. Brendel, O.P., Sisters of St. Dominic of Amityville, NY, recognized the critical lack of affordable housing options for elders and began **HARVEST HOUSES**. Thus began a new model that offers seniors the opportunity to choose an environment that is "home away from home" and to live in the continuity of family. Today, we are proud that we are the only successful long term shared housing model in New York State. We rejoice in the presence of three **HARVEST HOUSES** on Long Island offering new hope to our elders. But the challenge today is greater than ever before. Your support enables us to continue to offer affordable and family-like **housing to our elders**.
